

HEALTH, SAFETY AND ENVIRONMENTAL POLICY

Precision Geomatic Inc. ("*Precision*") is committed to ensuring the health and safety of our employees and all others involved in, or impacted by our operations, while at the same time protecting the environment.

Management is responsible for and is actively involved in the implementation of the Company's health, safety and environmental protection activities. Management will also provide the necessary equipment, training and procedures required to comply with applicable legislations.

Employees, at all levels, are expected to participate in the development of the Company's ongoing health, safety and environmental initiatives. Employees are also expected to comply with all applicable rules and procedures identified in all applicable legislation and Company documentation.

A joint and continuous effort by Management, Employees and Contractors will ensure a safe, healthy and clean work environment.
